Construction of speed-breakers in busy roads

300. SHRI G. Y. KRISHNAN: Will the Minister of SURFACE TRANSPORT be pleased to state the concept or parameters, if any laid down by the Central Government for the construction of new speed-breakers in the busy roads in the capital or elsewhere, under the jurisdiction of the Ministry of Surface Transport?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI JAGDISH TYTLER): The Ministry of Surface Transport is primarily responsible for roads declared as National Highways and all categories of roads other than National Highways are the responsibility of State Governments. Therefore, construction of speed breakers on the busy roads in the Capital and other State roads is the responsibility of State/Union Territory Governments. Government of India's policy has all along been not to construct speed breakers, remove the existing ones and provide alternative safety measures like rumble-strips, flashing signals, etc., on National High ways, in the interest of road safety and smooth flow of traffic.

Development of Gopalpur Port

301. SHRI BHAGABAN MAJHI: Will the Minister of SURFACE TRANSPORT be pleased to state:
